

4 BURNERS GAS BOILING TOP

123037 - PCA70G/0

SPECIFICATIONS

Tecno65 is the perfect answer, in terms of both quality and price, to the requirements of start-ups and small cookery workshops, snack bars, cafés, bistros, delis and catering services, and even trucks fitted out for street food.

It is an extensive range of slimline, simple, compact machines, perfect for modestly sized spaces and specific cooking requirements.

Tecno65 appliances are easy to move and install, and maintenance is simple.

COOKERS AND GAS BOILING TOPS

- Moulded anti-spill tops with rounded corners and grooves, and removable joining elements to prevent infiltrations and facilitate cleaning.
- Burners with cast iron pan support grids; cookers available with ovens 60 and 90 cm wide fitted with a tray and a grill.
- The Tecno65 burners are cast iron and brass, power 3.3 and 5.2 kW, fitted with safety thermocouple, with taps with valves. Solid cast iron pan support grids. Piezoelectric ignition.

TECHNICAL DATA
